*Annual Donor Report 2004 - 2005*

## Dear Alumni and Friends,

It is my sincere honor to thank and acknowledge all of the people highlighted in this report for your continued generosity and kindness. Without your support, St Gregory the Great High School simply could not exist. Over the past several years Catholic education has had to rely more and more on outside sources to support operating costs and the growing need for financial aid.

At St Gregory the Great High School we are committed to greatness. We are committed to positively influencing the lives of young men and women in preparing them for the future. This year each of our students has taken the Commitment to Greatness pledge and it has become the common language of students, parents and faculty. The Student Commitment to Greatness is as follows:

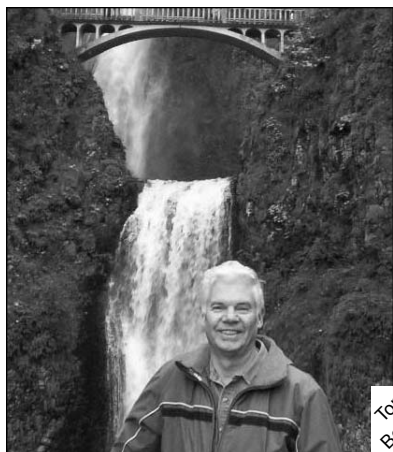

- I will have the courage to be hopeful.
- I will respect myself, others, their property, and the environment.
- I will be responsible for the consequences of my actions.
- I will embrace diversity and right injustices.
- I will be prepared to learn everyday.
- I will be honest in my words and deeds.

Your generosity makes the reality of this pledge possible. Our students are given the opportunity to pursue great lives because of your commitment to their education. Your energy and commitment to urban Catholic education will enable the strong tradition of St Gregory the Great High School to continue. God bless each of you.

## Wall of Fame 2006 to Honor Tom Bearden and Jerry Ritt

Please join us on Saturday, April 8 at 6:00 PM in Church for the Wall of Fame ceremony that will recognize two men who have contributed mightily over the years to forwarding the mission of St. Gregory High School. **Thomas C. Bearden**, former teacher and principal and **Gerald Ritt (Jerry)**, Class of '59 will be honored at the 2006 Wall of Fame. A dinner, auction and live entertainment will follow immediately in the Monsignor Klasen Gymnasium.

Tom Bearden, fresh out of the Air Force, arrived at St. Gregory in 1965 as a first time teacher. After 39 years in Catholic education, Tom left St. Gregory in 2004 after 16 years at the helm as principal. He and his wife Kathy moved west to the beautiful state of Washington.

For more than 40 years, Jerry's Dad, Edward, was custodian, "disciplinarian" and jack-of-all trades. Jerry was captain of the championship 1959 basketball Greyhound team. He returned to his alma mater after graduation to coach St. Gregory Elementary and ran the basketball intramurals through the early 70's with his buddy, Mike Manning '61.

Together, the experience of these two outstanding gentlemen spans nearly the entire history of St. Gregory High School! This is as close as we've ever come to an all-school reunion; we're hoping to fill the church and gym with the joyous sound of "family" reunited! Mark your calendars now! An expanded feature will follow in the winter issue of Timbers.

**T**hank you alumni, friends, faculty and staff for your faithful support of St. Gregory High School. The gifts of your time, talent, and treasure help us fulfill our mission: providing a faith-based, quality education for students that equips them with the skills needed to become contributing members of society.

Perhaps this year you might think of an endowed scholarship which can serve as a lasting tribute to a loved one, a classmate, an inspiring teacher. Gifts of securities, life insurance, trusts, bequests and other assets can provide tax advantages for the donor while supporting the future through the education of a student who, without your help, might not otherwise be able to attend St. Gregory the Great.

The SGHS Annual Donor Report reflects gifts made during the fiscal year of July 1, 2004 - June 30, 2005. Your financial support is important to us and we have made every effort to ensure the accuracy of this report. Please notify Geneva Gorgo (773/907-2100) of omissions or errors so corrections may be made and proper credit given. Gifts received after June 30, 2005, will be included in the 2005-2006 Annual Report.

The Class of 1950 returned in September for an "in-house reunion" and lively round-table exchange with the Class of 2006!

# Protégé Program Counts on Alums and Friends

The success of the Protégé Program is very much due to the support of our alumni and friends and we thank them for their continued help. The new program, in its first year, sent 22 students into the field for an intern-type experience, holding positions in the arts, business, health care and education. Our alumni participated in a number of ways.

## Second Annual Golf Outing Huge Success!

Though "golf" may be a four letter word, it has a draw powerful enough, in the words of **Mike Manning '61**, official starter, "to excite grown men to chase after little balls all day in the hot sun - go figure!"

Thanks to you, the second annual golf outing was a huge success! Although the number of golfers was the same, scholarship fund proceeds doubled thanks to the growing number of hole sponsors and underwriters. **Ken Lydecker '67**, also helped raise the total by bringing amazing sports memorabilia for the silent auction. The circle of golfers expanded this year to include younger alums - yeah! **Class of 2004! Mercy Home and Big Shoulders** sent foursomes to play as well.

The best and most anticipated attraction, however, didn't arrive until later in the day. Three-week old Tyler Ann Stark arrived with Mom, Nancy, just in time for dinner. Surely this must have been Tyler's first golf outing but then, knowing John's passion for the sport, we wouldn't be surprised if he'd already brought her out in a backpack to get her started in the right direction! Watch out Anika!

Many thanks to all of you who helped to make the day a success. "Cool" is another four letter word that perhaps best describes the hum of camaraderie heard throughout the day. See you all next year!
